DETAILED ACTION

Non-responsive Amendment

1. The reply filed on May 1, 2003 is not fully responsive to the prior Office action because of the following omission(s) or matter(s): Newly submitted claims 36-51 are directed to inventions that are independent or distinct from the invention originally claimed since there are no methods for evaluating growth factors. Moreover, applicant states that the logic and text in the new claims is so different from the previous, that the new claims must be added.

Applicants are not entitled to change the invention during prosecution. Applicants are requested to reinstate claims based upon the original invention. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
